

The Upsilon Update

Upsilon Chapter, Eaton County, Michigan State Organization of the Delta Kappa Gamma Society International

Coaches' Message

Happy Spring! That is, if Mother Nature takes a peek at the calendar and decides to follow the normal course of nature.

Sorry that it has been a while since we have seen each other. Our Coordinating Council meeting, which was our last chance to get together, had to be cancelled due to lack of interest. After some soul searching we decided that we did not have enough reservations to go ahead with the event.

I hope to see you at our April 15 meeting. We are collecting books, coloring book, crayons and snacks for the Siren/Eaton Center. Our program will be Capturing Kids Hearts presented by the principal from Potterville.

On April 28, 2023, Upsilon Chapter will be 73 years old. Upsilon was chartered at the First Congregational Church in Charlotte. Throughout the years our chapter has produced many outstanding women educators.

I hope to see you April 15.

-Judy Foster

Please Note: We will be meeting on the restaurant side at Tony M's as they have a party of 100 that day.

Happy April 73rd Birthday Upsilon Chapter

Big Picture: Top Education Stories

[Michigan \\$180 inflation relief checks 2023: what to know about Whitmer’s plan](#) (*Bridge Magazine*, Feb. 8)

Michigan Gov. Gretchen Whitmer and Democratic legislative leaders have proposed a plan that would issue \$180 “inflation relief checks” early this year to Michigan residents filing taxes for the 2022 tax year. The rebate checks are part of a larger tax reduction that also includes eliminating all income taxes on public and private retirement pensions.

[Michigan Senate dumps ‘read or flunk’ portion of third-grade law](#) (*Bridge Magazine*, Feb. 8)

The Michigan Senate voted Wednesday to dismantle a controversial law requiring students to repeat the third grade if they’re behind in reading skills. Senate Bill 12 does away with the retention policy, but keeps provisions outlining how schools assess students for reading skills and what interventions to provide.

Planning to Visit the Capitol in Lansing? The hundreds of thousands of visitors that come through the Michigan State Capitol every year will now have a new entryway into the building after Heritage Hall opens. The completely new \$40 million underground building at the Capitol has been 30 years in the making and is slated to open July 5, 2023.
