

## The Upsilon Update

Upsilon Chapter, Eaton County, Michigan State Organization  
of Delta Kappa Gamma International

### Coaches Message

Happy Spring! It has really been a challenge living here in Michigan. Tonight, Thursday ( 3/21 ), we are supposed to have 1-3 inches of snow after it being 71 last week. So as the sun goes down there is always a surprise waiting the next morning. So what to wear? Be ready for anything.

I hope you have made your RSVP to Judy Nixon for the Coordinating Meeting to be held April 5th.

We will be holding a silent auction to benefit a DKG program that will be determined by those attending. Donations are welcome: handicrafts, baskets, and other purchased items.

Our chapter will be setting up and decorating the room at noon so please plan to arrive early and help. Thirty minutes is not a very long time so we will have to move fast.

Our Blue Cross Blue Shield insurance still has Silver Sneakers fitness program. Call 1-866-584-7352 for locations.

For those of you who pay your medical bills using provider web sites, make sure all the bills you are paying have been processed by your insurance carrier. The best way to do this is to wait for your statement before paying, according to BCBC agents. Otherwise, you may be paying a charge before the insurance payment has been applied.

Happy Easter!

Vickie Sandstrom: My sister and I traveled to Skokie a few weeks ago to see the Titanic exhibition there. It was interesting to see the differences between first, second, and third class with regard to food offered, china used, and sleeping quarters.
